# Rock Pirates host the Greenhorn Run - April 25

The Rock Pirates lead a raiding party of 16 vessels into Boulder County on Saturday. Their forces gathered at the Hall Ranch trail head near Lyons and then headed to the entrance to Bunce School Road where they would prepare for the day's plundering. Their journey started with minimal fanfare as they worked to maintain their stealth, carefully making their way up the trail until a hard turn to starboard revealed their true destination.

Ironclads!

Though several of the party members were new to this level of adventure all were game to prove their worth and the caravan set its sights on the first obstacle. The two foot rock ledge was no trouble for the first few vessels as they had traversed these parts before, but some of the newer adventurers were unfamiliar and found it more daunting. With some trail engineering and hand signals, the two Mikes from Patrol 8 guided the remainder up and over the barrier.

Along the way they encountered a couple of large rock formations for several in the group to test their skills. Some of the larger vessels had trouble initially due to the snow covered rock wreaking havoc with the traction. Rock Pirate Captain Kelsey took some enemy fire and sustained some minor cosmetic damage but was otherwise unscathed. Arguably, the high point of the day was when newcomer Duncan Young went up against his first major obstacle. With some coaching from Mike Paris, the first time rock crawler managed to drive his stock Sahara up onto and then over an enormous boulder. The roar of cheers could be heard in neighboring lands.

The end of the trail provided some down and dirty fun as several of the captains sent their vessels sailing through murky, muddy waters before exiting the area. A few of them later joined the members of Patrol 8 at Smokin' Dave's BBQ in Lyons for a brief meeting and some great food. In the end it was a good day, with nothing left behind and a great treasure taken. (pictures only, of course)

## AN IMPORTANT MESSAGE FROM PATROL 5

I had a fun day with our membership chair "Craig" welding, grinding and some glue. Minor updates done on his rig.

Craig welded my hitch back together with some pretty good welds. Also he took something home, he welded together, from some scrap metal. Not sure what it was or is. He liked it! All that matters.

Thanks Craig!

The 1973 Jeep CJ5 is now in two pieces.

Most of the body mounts do not match the newer frame. Only the back two. One is gone from age.

Next step is to cut out all the rusted panels and weld in replacements.

Each piece will be cut to fit with plasma cutter. Hot, hot, hot..over 50,000 degrees.

Also making new tub supports with body mounts to match 24 inches longer frame. The tub will also be 24 inches longer, when finished.

Also working on my old CJ 5 gas can holder. Adding 1/2 inch to hold down to help remove gas can, when needed.

If you are interested in what this CJ5 1/2 is getting, email me for the list. [Dfboening@gmail.com](mailto:Dfboening@gmail.com) or just stop by and try your hand with this jeep project.

Tip of the day: when welding, always take time to prep the steel clean from rust and paint.

Not a welder? Come on over. You are welcome here.

No crowds. Just fun.

David

Patrol 5

#### Patrol 00 - The Misfits

Patrol Leader - Chris Roell [patrol00@mhjc.org](mailto:patrol00@mhjc.org)

A small patrol that isn't looking to grow. We enjoy wheeling together, and spending time with our "family".

#### Patrol 1 - HoboJeeppers

Patrol Leader - Bill Hallinan [patrol1@mhjc.org](mailto:patrol1@mhjc.org)

The spirit of a "Hobo" and the fun of Jeeping are the ideals of our name. As Hobos ride the rails, we instead drive the trails in that same traveling spirit. We like to run from the scenic Jeeping routes to the rugged adventure trips. The Hobos of Patrol 1 have mainly modified Jeeps, as lifts and lockers are recommended for most trips. The Hobos also enjoy all the MHJC has to offer, hold our Annual Hobo Run, and "Tread Lightly". We get together every month at various members houses around Denver.

#### Patrol 2 - Rat Patrol

Patrol Leader - Joe McDonough [patrol2@mhjc.org](mailto:patrol2@mhjc.org)

Our patrol is dedicated to having a blast doing the Jeep thing. We welcome all those that come along on our trail rides. We like to do all types of trails, from very difficult to moderate. We hold monthly patrol meetings on the 2nd Sunday of each month at patrol members' homes to plan next month's trail rides. We do, at a minimum, one trail a month. We make it a point that every vehicle that goes out, comes back. Our patrol is not just limited to Jeeps, if it's ready, let's GO.

#### Patrol 3 - Rock Jox

Patrol Leader - Joe Zipp [patrol3@mhjc.org](mailto:patrol3@mhjc.org)

Rock Jocks is Patrol 3 of the Mile High Jeep Club (MHJC). The Patrol is a fun loving adventurous group that enjoys easy to hard core trails. Members have to have a minimum of 33" tires, and lockers or limited slip. Expect to have fun, no bull, no politics. We enjoy the trails, help keep them open, and teach others how to do the same.

#### Patrol 4 - Lost Patrol

Patrol Leader - Kathie Chichester [patrol4@mhjc.org](mailto:patrol4@mhjc.org)

Our focus is to attend MHJC parent meetings and to participate and support all club activities as much as possible. We have members of all ages and live all over the Metro area. Patrol requirements are minimal - no meetings or dues, just have fun.

#### Patrol 5 - The Low Rangers

Patrol Leader - Ken Moul [patrol5@mhjc.org](mailto:patrol5@mhjc.org)

Members include singles, couples, and families. We live west of Denver and in the foothills. We are active in All-4-Fun and support all MHJC functions. We enjoy camping and moderate to serious Jeeping. Trips include some day trips, weekends, and week-long excursions. Our vehicles are equipped to handle most any kind of Jeeping. *Say Hello to Our Newest Patrol!!*

#### Patrol 6 - F Troop

Patrol Leader - Mark Woodworth [patrol6@mhjc.org](mailto:patrol6@mhjc.org)

We are a rather busy patrol, with events often every other week summer & winter. Snow busting & opening trail in the spring are a passion! YOU are invited to come along, but please visit our website to see what to expect. We go prepared, far beyond the Boy Scout level. We understand we can require medical attention far from aid, that things break, that we get "temporarily slowed" but we never go without the necessary tools, food, water, parts and medical equipment as well as communication gear, to assure our safety and comfort and expect you to do the same.

#### Patrol 7 - Rainbow Chasers

Patrol Leader - Jerry Cronk [patrol7@mhjc.org](mailto:patrol7@mhjc.org)

We continually participate in and actively support the leadership of MHJC and the annual All-4-Fun. We are a fun group of couples who enjoy each other and a variety of social activities, 4-wheeling, and camping. Vehicles vary in make, model, and year, as do our members! Meetings are held the 2nd Wednesday of each month at different members' homes. Guests are always welcome at our meetings and outings.

#### Patrol 8 - Rock Pirates

Patrol Leader - Kelsey Carter [patrol8@mhjc.org](mailto:patrol8@mhjc.org)

Founded in 1999, our patrol enjoys all 4x4s, short and long wheelbase. We welcome families and singles who are ready to help us achieve our simple goals: have fun, attend our functions and those planned by other patrols and clubs, and work hard to see that our sport of 4-wheeling, and the land we enjoy, is available for generations to come.

#### Patrol 9 - Trail Dawgs

Patrol Leader - Jeff Anderson [patrol9@mhjc.org](mailto:patrol9@mhjc.org)

We are or have been members of the US Uniformed Services and First Responder organizations. We drive lightly to heavily modified vehicles and enjoy easy to difficult runs. Most runs are day trips on the weekends with kids and dogs. We enjoy night runs, weekend trips, and camping. Safety is primary in everything we do. We practice courtesy toward other trail users, and we guide and assist each other so no one is left behind. We participate in trail maintenance, reforestation, and the Four Wheel Emergency Assistance Team.

#### Patrol 10 - Black Diamond 4 Wheelers

Patrol Leader - Mary Hilligoss [patrol10@mhjc.org](mailto:patrol10@mhjc.org)

We like to do all kinds of trails, mostly moderate to scenic. We have highly modified to near stock rigs. We consist of family with kids, couples, and singles. We enjoy weekend and day trips and all club-related activities. We are BIG supporters of All-4-Fun. We are very informal and friendly - meet as often as possible - no pressure to participate - with no limit to patrol members.

#### Patrol 11 - Cliffhangers

Patrol Leader - Todd Frick [patrol11@mhjc.org](mailto:patrol11@mhjc.org)

Our patrol is active in the pursuit of adventurous 4-wheeling fun. Our members live all over the Metro area and are of all ages. We participate in All-4 Fun and other MHJC activities. We meet for our patrol meetings, when needed, on the 2nd Sunday of each month and like to have a trip at least once a month. We enjoy moderate to sometimes serious 4-wheeling. We are firm believers in "Stay The Trail" and we practice safe and responsible 4-wheeling. We are accepting new members.

#### Patrol 12 - Fugowies

Patrol Leader - Richard Loeffler [patrol12@mhjc.org](mailto:patrol12@mhjc.org)

Patrol 12 is dedicated to enjoying the scenic beauty of Colorado from its backroads. We have younger and older members with vehicles from moderate to major modifications. We run 25 trips each year including two trips to Moab and All-4-Fun. Most trips are moderate in difficulty and located in the front range of Colorado. A few are more challenging. In order to maintain a closely knit membership we have participation requirements and we limit ourselves to 15 active members at any one time. Visitors and new members are welcome to come along with us on our adventures.

#### Patrol 13 - Trail Runners

Patrol Leader - John Davenport [patrol13@mhjc.org](mailto:patrol13@mhjc.org)

We always welcome new members and visitors. We meet the second Saturday after the first Wednesday of every month, alternating at members' homes. We enjoy light Jeeping, support all Mile-Hi Jeep Club activities, have social activities, and actively help each other. Our members are mainly couples with grown children. Come visit with us any time.

#### Patrol 14 - Alpine 14ers

Patrol Leader - Bill David [patrol14@mhjc.org](mailto:patrol14@mhjc.org)

We are a large, active patrol that has members of all ages and vehicle ability. We enjoy a variety of moderate degrees, and run both local trails and overnight trips. Our priorities are 4-wheeling, trail maintenance, and helping each other.

#### Patrol 15 - High Altitude 4-Wheelers

Patrol Leader - Jeff Fish [patrol15@mhjc.org](mailto:patrol15@mhjc.org)

Patrol 15 members range from Lifetime Members to Associate Members, to first timers. Our wheeling experience ranges from moderate to experienced with

the majority of rigs set up moderate to extreme. Members are spread out across Colorado with our 'adopted Coloradoans' that live out of state. We enjoy trails that range from scenic/ historic to challenging/ extreme. We welcome singles, families and old farts of all kinds, as long as you have a good sense of humor and like to have a good time.

#### Patrol 16 - Sasquatch Jeepers

Patrol Leader - Mandy Black [patrol16@mhjc.org](mailto:patrol16@mhjc.org)

Established in 2014 Sasquatch Jeepers is comprised of various aged people who drive various makes and models of vehicles which have moderate to extreme modifications. We are environmentally friendly and safety minded at all times. We try to run at least 2 trails each month (moderate to difficult). Membership into this patrol requires at least 35" tires and rear and front recovery points.

#### Patrol 17 - The Colorado Pack

Patrol Leader - Micah McCabe [patrol17@mhjc.org](mailto:patrol17@mhjc.org)

Patrol 17 was formed in 2015, seeking to bring families, couples and singles who enjoy all aspects of the outdoors together. We live all over the metro area and Front Range and rotate between members homes each month to plan future events. We are environmentally friendly and safety minded at all times. We try to hold at least one event each month (scenic to difficult). We are active in various MHJC events and inter-patrol activities. There is a limit of 20 vehicles to the Patrol. #### Patrol 21 - The Outlaws

In true Outlaw spirit, we are composed of all ages, vehicles and walks of life, 4 legs included you can't forget a Jeepers best friend. The Outlaws is welcome to first time Jeepers and veteran offroaders. We like to tackle the most difficult terrain and also enjoy a Sunday drive or a friendly get together. Runs can be led by any patrol member and we encourage to branch out and go wheeling with anyone!
