JEEPERS IN THE NEWS

March 2017

Commander's Corner, Where did they go?, February's Meetings, Club Happenings, & more!

Commander's Corner

Greetings Fellow Members.

It is hard to believe it March already. Spring is just around corner. I would like to announce the individuals that have stepped up to fill the following committee chairs.

First and for most, Megan Devich, who has graciously stepped up to chair the News Letter. Thank you for taking this task. Be sure to contact her to get all your announcements, photos from trips etc.

I would like to announce the new Land Conservation chairman, Jim Dixon. Thank you for stepping to take on this task. Remember this committee meets 5:30 Pm on the nights before Parent Club in the dining room of the Elks Lodge.

I would like to announce the new Trip Planner, Norman Dillon. Thank you for stepping up to this task.

Patrol 2 has stepped up are going to put on Aspencades this year. Will be looking forward to hearing what they are planning this year.

The club is still in need of the following committee chair persons.

Entertainment.

Historian.

Creepy Crawl.

So if you are interested in any of these or if know of anybody that might be interested like new member (let's get them involved), please contact me.

We seem to still have a lot of members that have not found a patrol. Patrol Leaders, reach out to these people, and see if we can get them in a patrol and get them involved. If you have questions about those are not attached to a patrol, contact Membership Chairman, Mike Priola, or any member of his committee.

In closing, let us reflect the three principles our club is about.

1. Fellowship- hanging out with our friends and fellow Jeepers.
2. To go wheeling, see #1
3. To represent what our club stands for, land preservation and keeping the trails open, so we can exercise #1 and #2.

Just keeping it "Plain and Simple" this year.

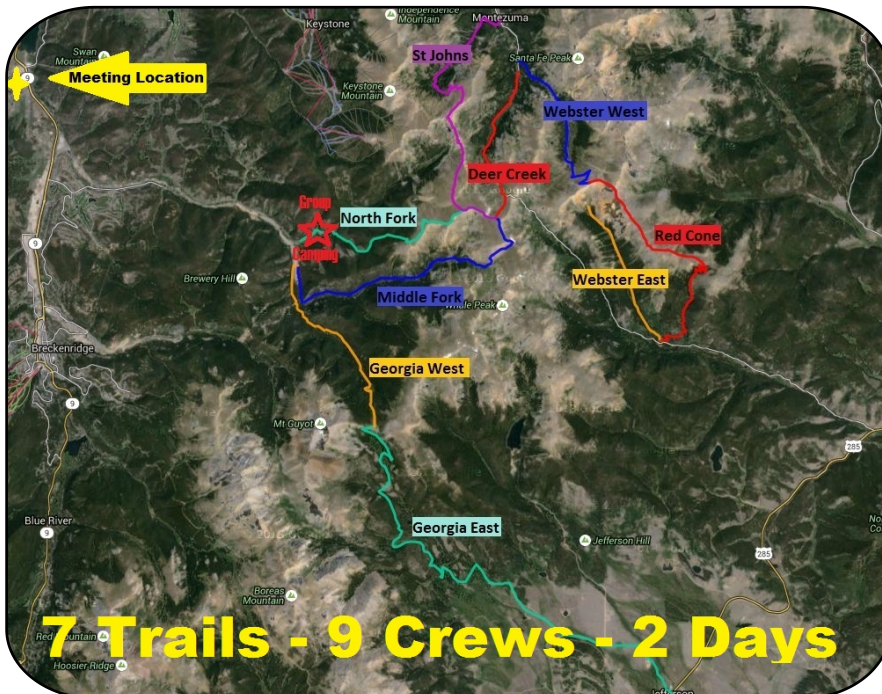

Best regards,

Mike Bowden

2017 Mile Hi Jeep Club Comander.

Patrol 4's Wilderness Class

Patrol 4 hosted a wilderness first aid class, which was a 16 hour class. participants included Dave Tjarks, Sharon Fabick, Timothy Floyd, Susan Dillon, Joe and Becki Zipp, Dennis Berry, and Kevin Durham. We learned a lot and had a very good time. I would recommend other patrols to take such classes.

Trail Tips and Etiquette:

Louder doesn't mean faster.

Ride only on routes open to your vehicle.

Know your width.

Ride only on routes wider than your vehicle.

Don't block access to the trail while staging.

Ride over obstacles, not around them.

Slow down for your fellow riders.

Be an ambassador to non-motorized trail users.

Hunting with OHV's requires extra precautions.

Everyone has been asking for it...

After tons of work we finally have it...

Stay The Trail has finished it!
See the list of the Full-Size Trails in Colorado that require a Colorado OHV Permit on StayTheTrail.org!

Remember all of the money from these permits goes to the Colorado OHV Grant Fund to maintain our trails, build new trails, and to educate the users. Over 4 million dollars in Colorado OHV Grants will be given out in 2017 and almost 50 million in Colorado OHV Grants have been given out since the program was started in 1991!!!

Land Conservation Updates

Our Land Conservation Committee is made up of volunteer members from each of our Patrols. Our chairman will spend significant time mentoring committee members on what is happening and how each member of Mile-Hi Jeep Club can personally help in the fight to keep public land open for motorized recreation. All of our members are encouraged to reach out to the committee with any questions, concerns, or ideas regarding Land Conservation. We work toward a collaborative team effort within our club and encourage everyone to work together with local and national organizations, and other members of the off-road community. The main requirement for adopting a 4WD road is a core group within the Patrol that is willing to do the volunteer work involved. Most Patrols schedule *at least* one "work event" each year per adopted road to maintain their adopted road(s).

If you have any questions, please email the Land Advocacy chairman at landuse@mhjc.org.

Several Patrols have roads that they maintain or have adopted across Colorado:

Patrols 1&5:

Mill Creek

Patrol 2:

Breakneck Pass

Browns Pass

Patrol 6:

Saints John

Patrol 10&12:

Slaughterhouse Gulch

Patrol 11

Bird's Eye Gulch

Patrol 14

Webster Pass

Bill Moore Lake

Red Cone

Patrol 16

Sidewinder

Spring Creek

COHVCO recently introduced an insurance bill that would make it easier for us all to obtain proper insurance while maintaining trails, and without breaking the bank. It passed the senate with no objections and is currently in the house commitment calendar. Today, as a volunteer, you could be held personally liable for any trail maintenance that you complete, should anyone get hurt as a result of your work.

For more information visit www.COHVCO.org.

COHVCO also recently completed an OHV economic study for Colorado. We all knew we spent money, but they put into perspective the \$3.8 billion of income brought to Colorado. We all spent over \$724 million on vehicle, gear, and upgrades alone. Mike Paris has hard copies of the study available and can also be found online.

Meet the Patrols

Patrol 00 - The Misfits

Patrol Leader - Joe Buschard patrol00@mhjc.org
We are "family" and enjoy wheeling together. Trail difficulty doesn't matter to us as long as we are out having fun. We are young to older, beginner to experienced and drive moderate to heavily modified Jeeps. To wheel with us you must bring an open sense of humor and a lunch.

Patrol 1 - HoboJeepers

Patrol Leader - Robert Stubbs patrol1@mhjc.org
The spirit of a "Hobo" and the fun of Jeeping are the ideals of our name. As Hobos ride the rails, we instead drive the trails in that same traveling spirit. We like to run from the scenic Jeeping routes to the rugged adventure trips. The Hobos of Patrol 1 have mainly modified Jeeps, as lifts and lockers are recommended for most trips. The Hobos also enjoy all the MHJC has to offer, hold our Annual Hobo Run, and "Tread Lightly". We get together every month at various

Patrol 2 - Rat Patrol

Patrol Leader - Joe McDonough patrol2@mhjc.org
Our patrol is dedicated to having a blast doing the Jeep thing. We welcome all those that come along on our trail rides. We like to do all types of trails, from very difficult to moderate. We hold monthly patrol meetings on the 2nd Sunday of each month at patrol members' homes to plan next month's trail rides. We do, at a minimum, one trail a month. We make it a point that every vehicle that goes out, comes back. Our patrol is not just limited to Jeeps, if it's ready, let's GO.

Patrol 3 - Rock Jox

Patrol Leader - Chad Wilson patrol3@mhjc.org
Rock Jocks is Patrol 3 of the Mile High Jeep Club (MHJC). The Patrol is a fun loving adventurous group that enjoys easy to hard core trails. Members have to have a minimum of 33" tires, and lockers or limited slip. Expect to have fun, no bull, no politics. We enjoy the trails, help keep them open, and teach others how to do the same.

Patrol 4 - Lost Patrol

Patrol Leader - Kevin Durham patrol4@mhjc.org
Our focus is to support the members of Patrol 4 to get out and enjoy the "JeepLife" safely. We run trails all year rating from 1 to 8, have Patrol meetings, support off-road agencies, All-4-Fun and Christmas Caravan up to having overnight camping excursions. A key commitment to our Patrol members is no one gets left behind! We have members of all ages who live all over the Denver Metro area; families welcome. Patrol and vehicle requirements are minimal and dictated by trail ratings.

Patrol 5 - The Low Rangers

Patrol Leader - Gail Moul patrol5@mhjc.org
Members include singles, couples, and families. We live west of Denver and in the foothills. We are active in All-4-Fun and support all MHJC functions. We enjoy camping and moderate to serious Jeeping. Trips include some day trips, weekends, and week-long excursions. Our vehicles are equipped to handle most any kind of Jeeping.

Patrol 6 - F Troop

Patrol Leader - Mark Woodworth patrol6@mhjc.org
We are a rather busy patrol, with events often every other week summer & winter. Snow busting & opening trail in the spring are a passion! YOU are invited to come along, but please visit our website to see what to expect. We go prepared, far beyond the Boy Scout level. We understand we can require medical attention far from aid, that things break, that we get "temporarily slowed" but we never go without the necessary tools, food, water, parts and medical equipment as well as

Patrol 7 - Rainbow Chasers

Patrol Leader - Jerry Cronk patrol7@mhjc.org
We continually participate in and actively support the leadership of MHJC and the annual All-4-Fun. We are a fun group of couples who enjoy each other and a variety of social activities, 4-wheeling, and camping. Vehicles in make, model, and year, as do our members! Meetings are held the 2nd Wednesday of each month at different members' homes. Guests are always welcome at our meetings and outings.

Patrol 8 - Rock Pirates

Patrol Leader - Will Carter patrol8@mhjc.org
Founded in 1999, our patrol enjoys all 4x4s, short and long wheelbase. We welcome families and singles who are ready to help us achieve our simple goals: have fun, attend our functions and those planned by other patrols and clubs, and work hard to see that our sport of 4-wheeling, and the land we enjoy, is available for generations to come.

Patrol 9 - Trail Dawgs

Patrol Leader - Dave Grey patrol9@mhjc.org
We are or have been members of the US Uniformed Services and First Responder organizations. We drive lightly to heavily modified vehicles and enjoy easy to difficult runs. Most runs are day trips on the weekends with kids and dogs. We enjoy night runs, weekend trips, and camping. Safety is primary in everything we do. We practice courtesy toward other trail users, and we guide and assist each other so no one is left behind. We participate in trail maintenance, reforestation, and the Four

Patrol 10 - High Caliber Jeepers

Patrol Leader - Patty Grosnick patrol10@mhjc.org
We like to do all kinds of trails, mostly moderate to scenic. We have highly modified to near stock rigs. We consist of family with kids, couples, and singles. We enjoy weekend and day trips and all club-related activities. We are BIG supporters of All-4-Fun. We are very informal and friendly - meet as often as possible - no pressure to participate - with no limit to patrol members.

As a new or unaffiliated member, please take the time to read the Patrol descriptions to find out which one might suit you best!

Patrol 11 - Cliffhangers

Patrol Leader - Todd Frick patrol11@mhjc.org

Our patrol is active in the pursuit of adventurous 4-wheeling fun. Our members live all over the Metro area and are of all ages. We participate in All-4 Fun and other MHJC activities. We meet for our patrol meetings, when needed, on the 2nd Sunday of each month and like to have a trip at least once a month. We enjoy moderate to sometimes serious 4-wheeling. We are firm believers in "Stay The Trail" and we practice safe and responsible 4-wheeling. We are accepting new members.

Patrol 12 - Fugowies

Patrol Leader - Dave Mozell patrol12@mhjc.org

Patrol 12 is dedicated to enjoying the scenic beauty of Colorado from its backroads. We have younger and older members with vehicles from moderate to major modifications. We run 25 trips each year including two trips to Moab and All-4-Fun. Most trips are moderate in difficulty located in the front range of Colorado. A few are more challenging. In order to maintain a closely knit membership we have participation requirements and we limit ourselves to 15 active members at any one time. Visitors and new members are welcome to come along with us on our adventures.

Patrol 13 - Trail Runners

Patrol Leader - John Davenport patrol13@mhjc.org

We always welcome new members and visitors. We meet the second Saturday of every month, alternating at members' homes. We enjoy light Jeeping, support all Mile-Hi Jeep Club activities, have social activities, and actively help each other. Our members are mainly couples with grown children. Come visit with us any time.

Patrol 14 - Alpine 14ers

Patrol Leader - Bill David patrol14@mhjc.org

We are a large, active patrol that has members of all ages and vehicle ability. We enjoy a variety of moderate degrees, and run both local trails and overnight trips. Our priorities are 4-wheeling, trail maintenance, and helping each other.

Patrol 15 - High Altitude 4-Wheelers

Patrol Leader - Jeff Fish patrol15@mhjc.org

Patrol 15 members range from Lifetime Members to Associate Members, to first timers. Our wheeling experience ranges from moderate to experienced with the majority of rigs set up moderate to extreme. Members are spread out across Colorado with our 'adopted Coloradoans' that live out of state. We enjoy trails that range from scenic/ historic to challenging/ extreme. We welcome singles, families and old farts of all kinds, as long as you have a good sense of humor and like to have a good time.

Patrol 16 - Sasquatch Jeepers

Patrol Leader - Ryan Boudreau patrol16@mhjc.org

Established in 2014 Sasquatch Jeepers is comprised of various aged people who drive various makes and models of vehicles which have moderate to extreme modifications. We are environmentally friendly and safety minded at all times. We try to run at least 2 trails each month (moderate to difficult). Membership into this patrol requires at least 35" tires and rear and front recovery points.

Patrol 17 - The Colorado Pack

Patrol Leader - Robby Paterson patrol17@mhjc.org

Patrol 17 was formed in 2015, seeking to bring families, couples and singles who enjoy all aspects of the outdoors together. We live all over the metro area and Front Range and rotate between members homes each month to plan future events. We are environmentally friendly and safety minded at all times. We try to hold at least one event each month (scenic to difficult). We are active in various MHJC events and inter-patrol activities. There is a limit of 20 vehicles to the Patrol. All types of vehicles are allowed in our patrol but we do have entry and participation

Patrol 18 - The Outcast

Patrol Leader - Mike Paris patrol18@mhjc.org

The purpose of this Patrol is to organize members of the Mile-Hi Jeep Club of Colorado (MHJC) and their families into a cohesive, friendly, and supportive group of off-road enthusiasts to enjoy the benefits of our sport, support the MHJC, perform trail maintenance projects, and advocate for land use issues. Members of this Patrol will enjoy the camaraderie of wheeling with other four wheel drive vehicles.
