

JEEPERS IN THE NEWS

March 2015

Inside: KansasRocks Frostbite Event, Cottonwood Pass, Sasquatches on Cascade Creek

Welcome New
Members!

Roy Grimm

Seth Siders & his
Jeeping daughter

Nick Wagner

Shaun
Farrell

The Rock Jocks of Patrol 3 have remained busy busy, although the recent weather has made it difficult to enjoy the trails together regularly, we keep the comradery going by enjoying Patrol 3 Poker Nights, Pot lucks, and lots of fun and laughs (with a couple of the Lady Rock Jocks "Taking the Pot"), no fear for the other Rock Jocks redemption is right around the corner with round 2!

*The Jack Pot
Winners!!*

Updates from Patrol 3 Rock Jocks

Many of the Rock Jocks continue working on upgrades and mods, with big plans for trying them out during many of the up and coming runs and trips! Check out some of what these Rock Jocks will be sporting this spring!!

*Rattler Gets some Pep in his Step!
These pictures show the 2.5 inch
KING coil over's that replaced the
ORI shocks. The buggy was built as
an ultra 4 race buggy. At high speeds
the ORI shocks are totally awesome,
but were found to be extremely
difficult to tune for trails that patrol 3
runs.*

*Brent and Lisa's Rubi getting some Bling!
New Poison Rock Sliders!*

We are eagerly awaiting the warmer seasons to arrive, and enjoying playing in the snow as much as we can while it is here, as well as keeping together with non-run social events and trip planning. We hope to keep to our plan of at least one run a month throughout the winter months and increase to a run a week as soon as spring and summer arrive! We hope to have you join us on one of these amazing experiences the Colorado Mountains has to offer, see you all out on the trails!!

February Parent Club Meeting

Call to Order / Pledge of Allegiance – Cory Moul, Commander

Cory called the meeting to order at 7:09 PM.

Roll Call – Heather Roell

1 – Present; 2 – Present; 3 – Present; 4 – Present;
5 – Present; 6 – Present; 7 – Present; 8 – Present;
9 – Present; 10 – Present; 11 – Present; 12 – Present; 13 – Present; 14 – Present; 16 – Present

Treasure's Report – Patty Grosmick

All accounts are in good standing, please see Patrol Leaders with any questions. Patty pointed out that we keep treasurer info to a minimum at PC meetings, because there are many guests present and we don't want to share the info with just anyone.

Public Relations – David Anderson

- About six or so new members found us through the International Sportsman's Expo
- March 14 is the St. Patrick's Day Parade, and March Madness at 4-Wheel Parts.
- February 28, 2015 is the KanRocks Frostbite Event in Kansas; MHJC will be attending to promote All-4-Fun.
- The Vendor Show is the Thursday and Friday of Easter Jeep Safari. If anyone wants to help out at the booth for a few hours, let David know.
- Touch a Truck event is at the Swigert International School on April 25. The school has asked us to bring Jeeps for the kids to crawl around on.

Land Use – Matt Hiller

- We voted to give the Rollins Pass Restoration Committee \$500 for their efforts.
- We are going to break up trail maintenance by ranger district.
- Everyone please email landuse@mhjc.org your favorite trails, that we want to keep open, so we can work on focusing efforts on those trails.
- If you are out wheeling and see signs and trail damage that needs to be fixed, let Matt know, as it's in the budget to help out.

All-4-Fun – Mike Bowden

- All-4-Fun is by Mount Princeton, by Highway 162 and Princeton Parkway in Buena Vista.
- The event raises money for land use and for the Children's Hospital Burn Camp.
- People can stay on the property, or stay on other campgrounds. It's \$350 per vehicle, and has to be a Jeep.
- There are 80 registered, and 53 committee.
- Contact Mike Bowden (chairman) or Dianna Anderson (registration) if you're interested in helping out.
- Kids, logistics, and sales always needs help.
- If you are a member, and interested in working on a committee, contact Mike and he'll help you get signed up.
- Shirts and merchandise will be black, and the colorful logo will stand out really well.

Trip Planner – Bryan Hamilton

- If you have any trips, let him know at tripplanner@mhjc.org and it'll go on the calendar so everyone knows what's going on.
- All runs are on the MHJC webpage calendar.

Newsletter – Becky Vander Hoeven

- February issue is available at the back of the room at the Parent Club meeting.
- The deadline for the March issue is March 6.
- Please send photos via email; the pictures pulled from Facebook don't show up well in the newsletter.
- Submissions can be sent to newsletter@mhjc.org.

Entertainment – Guenn Hiller

- Thank you to Patrol 3 and 7 for providing refreshments tonight.
- Working on a fundraiser night with the Colorado Mammoth for April 17 (Friday) night. The tickets are only \$25, and \$10 of each one goes to Stay the Trail. It puts us all in the same section. The first 50 members who buy tickets get to park up front by the main entrance. We are setting up a table with information on the lower concourse for information on the club. Any questions, contact Kai Jordeth at kjordeth@pepsicenter.com.
- Any questions or suggestions, email entertainment@mhjc.org

New Member Committee – Kevin Compton

- Here to help new members and prospective members learn about Jeeping, learn about MHJC, and hopefully join or start a patrol.
- Meet N Greet in the corner of the room after the meeting.
- Jeff, leader of Patrol 9, is going to come by and talk to people tonight about the club and his patrol.

Membership – Craig Carpenter

- 338 members as of tonight. About 100 haven't joined a patrol yet.

Historian – Grant Landsbach

- Four Wheel Flashback. Fun history; not always going to go way back, but sometimes will. Going to do fun stuff, and quizzes.
- Will illustrate reasons to join MHJC: We all love Jeeps; trail advocacy; charitable events; social outlet; explore and enjoy nature in historic Colorado; learn more about working on and modifying Jeeps; discounts on stuff; big organized club events, like All-4-Fun.
- Please send Grant pictures and he'll get them added to the Four Wheel Flashback.

Guests – David and Tricia with Colorado Teardrops

- Family company that started out of a demand for teardrops to be made and sold in Colorado.
- Dean Wiltshire and his son David started the company in May 2014 because they couldn't find any source for trailers closer than Ohio, Michigan, or Wisconsin.
- They build and design them, local sourced materials when possible, and use things more than once.
- Three models: Base, camp, and canyon lands. Pollard helped design. They sleep a queen size bed.

February Parent Club Meeting

Guests – David and Tricia with Colorado Teardrops (Cont)

- Very customizable.
- Coloradoteardrops.com
- They offer rentals, as well.

St. Patrick's Day Parade – Bill Hallenin

- All set for the parade.
- Four different entries.
- Hopefully everyone will come and see the parade.
- He will send out an email to entrants with more information.

Cory let everyone know that Dave Bohning canceled the welding class on Tuesday. Hopefully it will be rescheduled.

Adjournment

It was motioned to adjourn by Mark Woodworth and seconded by Grant Landsbach and approved by a voice vote to adjourn the meeting at 7:50 PM.

March Anniversaries

Jeff & Erica Calog
Darren & Lacy Crocker
Jerry & Janet Cronk
Bob & Jeanie Goble

Dave & Leeanne Gray
Scott & Janet Maxwell
Norris & Linda Myers
John & Susanne Wood

AN IMPORTANT MESSAGE FROM PATROL 5

Did weather cause a Jeep to grow?

Mile Hi-Jeep Club, Patrol 5 member, David (last name withheld until a full police investigation) noticed the Jeep coming apart. The Jeep frame is now upside down in the driveway, with no loan in sight. The frame is now much longer than the body.

Worried neighbors witnessed very bright lights, sounds of bacon frying and sparks lighting up the night.

One policeman, name withheld, says it might have something to do with Weld County.

David is now covering the Jeep frame to keep it from growing more.

Recommendations from several local body shops, were of no help at this time, since the Jeep body has shown no signs of growing.

Patrol 5 is taking steps, to keep other Jeeps from growing, by offering branding to its members.

If you want to help Patrol 5 stop this from spreading to other brands. Please get branded.

Hope you will do the right thing.

HAPPY Birthday

Kansas Rocks Frostbite Event - February 28

Chris/ Heather Roell, and Joey Bouchard went to southeast Kansas to represent the Mile-Hi Jeep Club and promote All-4-Fun at the Kansas Rocks Frostbite Event that was held on Saturday, February 28 in Mapleton, Kansas. We made contact with a ton of people, and Chris reports that there's at least 10 people who are guaranteed to be at All-4-Fun.

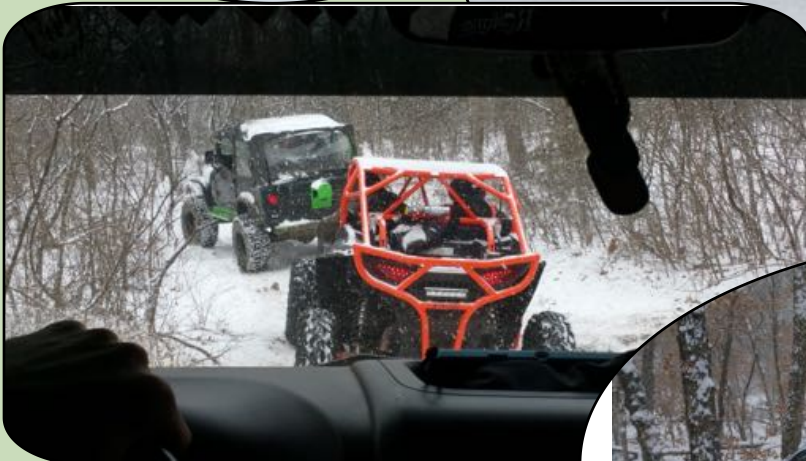

Chris had been communicating with a super nice guy named Phil about the event. These Midwesterners...they have a way of making you feel like you're the most important guest at the event. They create an environment where you feel welcomed, honored, and cherished. I'm sure all the hundreds of other entrants felt the same way. It's a gift. We plan to try our hardest to reciprocate at All-4-Fun.

The rigs there were amazing. Most of them were rigs you'd see out on Colorado trails. The park itself is incredible; 240 acres of privately-owned former logging trails, turned wheeling trails. David Killion and Mike Starkebaum (owner of a shop called 4X4 Land in Topeka <http://www.4x4land.com/>) are known as the grandfather and father of wheeling in Kansas, respectively. They were telling us that when building the park, they only had to remove about a dozen trees, because the trails were already pretty much there. David formed the Kansas City 4WD Association in the mid- to late-90s, and a year after that, he started looking for property that he could turn into a much-needed park. The Kansas City 4WD Association wound up turning into several different clubs, including Kansas Rocks. David leased the land at first, and now, with a lot of work, the Kansas Rocks club owns it. The club is also looking at a couple other adjoining properties – one is close to 150 acres, and one is 40. Hopefully before long that'll belong to the Kansas Rocks Offroad Park, too.

David and Mike took us out for a tour on the trails. The trails are all really well marked on each end with signs that have designations like ski trails – green are easy trails, blue are intermediate, and black are difficult. With the temperature being in the 20s, and the humidity making the cold extra bone-chilling, it's no surprise we had a tough time negotiating the trails without doing a lot of sliding. While we were on the tour, we decided we must come back when the weather's nice – the park is amazing, and we only got to experience a little slice of it. It's hilly, there's rock and ruts, and just generally awesome.

On September 12th, they're bringing back the Kansas Krawl event. We are planning on going back for that. Presumably, it will be warmer.

Check out their website at: <http://www.ksrockspark.com/>. There, they have background on the organization, and tons of other useful info. Definitely worth the drive. We were talking about how fun it would be to get a dozen rigs together and road trip down there.

Hobos take on Cottonwood Pass Feb 14, 2015

LINCOLN COLLEGE OF TECHNOLOGY'S
4TH ANNUAL HOT ROD CAR SHOW
SATURDAY, MARCH 28, 2015 9 AM - 2 PM
 Awards presentation at 1 pm

Polish up your ride for Lincoln Tech's 4th Annual Hot Rod Car Show. This is not just a Hot Rod Show, we are looking for the best of the best across The Centennial State, from the earliest Model-T's to the latest Dodge Challengers. If you are a car enthusiast join us at Lincoln Tech as we search for the hottest vehicles in Colorado!

 USO Denver will be on hand throughout the day, collecting monetary and item donations for our troops. Contact Lincoln Tech's Denver campus for a list of items to donate.

LINCOLN OFFERS CAREER TRAINING IN:

- Automotive Technology
- Collision Repair & Refinishing Technology
- Diesel & Truck Technology
- Air Conditioning, Refrigeration & Heating Technology (HVAC)
- Welding Technology

REGISTRATION IS AT NO COST TO YOU!
 Send your vehicle information to:

WELDING CLASSES

We offer a welding class 2 people at a time. The hands on time is so important, to learn how to use a welder safely. Class is about 2 hours long. Always welcome to come back for more time.

Can do this fun class, most nights and a few weekends. Just email or call ahead.

Weather can make it interesting sometimes.

If you want to be on the list, of having helped weld my CJ5 1/2 back together, you have plenty of time. At the last class, we found some body mounts that were poor welds. We ground out that weld and welded it back up. Winter is still here and welding is so "HOT"

Thank you, David Boening

Trail Ridge Runners First Meet and Greet

Sonic 2339 Main St.

Longmont, Co

March Greenhorn Run, March 28
Hosted by Patrol 1 - Hobo Jeepers
Meet @ Decker's Store 8:45
Start the run at 9am

Patrol 1 - HoboJeepers

Patrol Leader - Bill Hallinan patrol1@mhjc.org

The spirit of a "Hobo" and the fun of Jeeping are the ideals of our name. As Hobos ride the rails, we instead drive the trails in that same traveling spirit. We like to run from the scenic Jeeping routes to the rugged adventure trips. The Hobos of Patrol 1 have mainly modified Jeeps, as lifts and lockers are recommended for most trips. The Hobos also enjoy all the MHJC has to offer, hold our Annual Hobo Run, and "Tread Lightly". We get together every month at various members houses around Denver.

Patrol 2 - Rat Patrol

Patrol Leader - Joe McDonough patrol2@mhjc.org

Our patrol is dedicated to having a blast doing the Jeep thing. We welcome all those that come along on our trail rides. We like to do all types of trails, from very difficult to moderate. We hold monthly patrol meetings on the 2nd Sunday of each month at patrol members' homes to plan next month's trail rides. We do, at a minimum, one trail a month. We make it a point that every vehicle that goes out, comes back. Our patrol is not just limited to Jeeps, if it's ready, let's GO.

Patrol 3 - Rock Jox

Patrol Leader - Joe Zipp patrol3@mhjc.org

Rock Jocks is Patrol 3 of the Mile High Jeep Club (MHJC). The Patrol is a fun loving adventurous group that enjoys easy to hard core trails. Members have to have a minimum of 33" tires, and lockers or limited slip. Expect to have fun, no bull, no politics. We enjoy the trails, help keep them open, and teach others how to do the same.

Patrol 4 - Lost Patrol

Patrol Leader - Kathie Chichester patrol4@mhjc.org

Our focus is to attend MHJC parent meetings and to participate and support all club activities as much as possible. We have members of all ages and live all over the Metro area. Patrol requirements are minimal - no meetings or dues, just have fun.

Patrol 5 - 5 x 5's

Patrol Leader - Ken Moul patrol5@mhjc.org

Members include singles, couples, and families. We live west of Denver and in the foothills. We are active in All-4-Fun and support all MHJC functions. We enjoy camping and moderate to serious Jeeping. Trips include some day trips, weekends, and week-long excursions. Our vehicles are equipped to handle most any kind of Jeeping.

Patrol 6 - F Troop

Patrol Leader - Mark Woodworth patrol6@mhjc.org

We are a rather busy patrol, with events often every other week summer & winter. Snow busting & opening trail in the spring are a passion! YOU are invited to come along, but please visit our website to see what to expect.

We go prepared, far beyond the Boy Scout level. We understand we can require medical attention far from aid, that things break, that we get "temporarily slowed" but we never go without the necessary tools, food, water, parts and medical equipment as well as communication gear, to assure our safety and comfort and expect you to do the same.

Patrol 7 - Rainbow Chasers

Patrol Leader - Jerry Cronk patrol7@mhjc.org

We continually participate in and actively support the leadership of MHJC and the annual All-4-Fun. We are a fun group of couples who enjoy each other and a variety of social activities, 4-wheeling, and camping. Vehicles vary in make, model, and year, as do our members! Meetings are held the 2nd Wednesday of each month at different members' homes. Guests are always welcome at our meetings and outings.

Patrol 8 - Rock Pirates

Patrol Leader - Kelsey Carter patrol8@mhjc.org

Founded in 1999, our patrol enjoys all 4x4s, short and long wheelbase. We welcome families and singles who are ready to help us achieve our simple goals: have fun, attend our functions and those planned by other patrols and clubs, and work hard to see that our sport of 4-wheeling, and the land we enjoy, is available for generations to come.

Patrol 9 - Trail Dawgs

Patrol Leader - Jeff Anderson patrol9@mhjc.org

We are or have been members of the US Uniformed Services and First Responder organizations. We drive lightly to heavily modified vehicles and enjoy easy to difficult runs. Most runs are day trips on the weekends with kids and dogs. We enjoy night runs, weekend trips, and camping. Safety is primary in everything we do. We practice courtesy toward other trail users, and we guide and assist each other so no one is left behind. We participate in trail maintenance, reforestation, and the Four Wheel Emergency Assistance Team.

Patrol 10 - Black Diamond 4 Wheelers

Patrol Leader - Mary Hilligoss patrol10@mhjc.org

We like to do all kinds of trails, mostly moderate to scenic. We have highly modified to near stock rigs. We consist of family with kids, couples, and singles. We enjoy weekend and day trips and all club-related activities. We are BIG supporters of All-4-Fun. We are very informal and friendly - meet as often as possible - no pressure to participate - with no limit to patrol members.

Patrol 11 - Cliffhangers

Patrol Leader - Jerry Ross patrol11@mhjc.org

Our patrol is active in the pursuit of adventurous 4-wheeling fun. Our members live all over the Metro area and are of all ages. We participate in All-4 Fun and other MHJC activities. We meet for our patrol meetings, when needed, on the 2nd Sunday of each month and like to have a trip at least once a month. We enjoy moderate to sometimes serious 4-wheeling. We are firm believers in "Stay The Trail" and we practice safe and responsible 4-wheeling. We are accepting new members.

Patrol 12 - Fugowies

Patrol Leader - Richard Loeffler patrol12@mhjc.org

Patrol 12 is dedicated to enjoying the scenic beauty of Colorado from its backroads. We have younger and older members with vehicles from moderate to major modifications. We run 25 trips each year including two trips to Moab and All-4-Fun. Most trips are moderate in difficulty and located in the front range of Colorado. A few are more challenging. In order to maintain a closely knit membership we have participation requirements and we limit ourselves to 15 active members at any one time. Visitors and new members are welcome to come along with us on our adventures.

Patrol 13 - Trail Runners

Patrol Leader - John Davenport patrol13@mhjc.org

We always welcome new members and visitors. We meet the second Saturday after the first Wednesday of every month, alternating at members' homes. We enjoy light Jeeping, support all Mile-Hi Jeep Club activities, have social activities, and actively help each other. Our members are mainly couples with grown children. Come visit with us any time.

Patrol 14 - Alpine 14ers

Patrol Leader - Bill David patrol14@mhjc.org

We are a large, active patrol that has members of all ages and vehicle ability. We enjoy a variety of moderate degrees, and run both local trails and overnight trips. Our priorities are 4-wheeling, trail maintenance, and helping each other.

Patrol 15 - High Altitude 4-Wheelers

Patrol Leader - Jeff Fish patrol15@mhjc.org

Patrol 15 members range from Lifetime Members to Associate Members, to first timers. Our wheeling experience ranges from moderate to experienced with the majority of rigs set up moderate to extreme. Members are spread out across Colorado with our 'adopted Coloradoans' that live out of state. We enjoy trails that range from scenic/ historic to challenging/ extreme. We welcome singles, families and old farts of all kinds, as long as you have a good sense of humor and like to have a good time.

Say Hello to Our Newest Patrol!!

Patrol 16 - Sasquatch Jeepers

Patrol Leader - Mandy Black patrol16@mhjc.org

Established in 2014 Sasquatch Jeepers is comprised of various aged people who drive various makes and models of vehicles which have moderate to extreme modifications. We are environmentally friendly and safety minded at all times. We try to run at least 2 trails each month (moderate to difficult). Membership into this patrol requires at least 35" tires and rear and front recovery points.

The purposes of the Mile-Hi Jeep Club are: to unite adventure loving people in worthwhile four-wheel drive activities; to educate its members in the proper manner of all road driving; to protect and preserve the natural beauty and terrain; to participate, on a voluntary basis, in search and rescue and other humanitarian missions as the community needs; to share good fellowship while operating our vehicles in a manner so as to preserve and protect our land for all generations; and to extend the courtesy of the open road to all. We are a non-profit organization that was chartered and incorporated in the State of Colorado on July 2, 1957. Membership is open to those individuals owning any four-wheel drive vehicle. It is the duty of each member to abide by all the laws, rules, and regulations of the constitution of the Mile-Hi Jeep Club of Colorado. Each member is asked to participate in, cooperate with, and support the club and a patrol to the best of his or her ability. www.mhjc.org

The Blue Ribbon Coalition champions responsible use of public lands for the benefit of all recreationists by educating and imploring its members to: secure, protect, and expand shared outdoor recreations, access, and use; work collaboratively with land managers and other recreationists; educate the general public, media, elected officials, and other decision-makers on recreation and access issues; promote equitable and responsible land management; affect the political and administrative process; support recreation on, and promote respect for, private property; and encourage appropriate enforcement of the law. The Blue Ribbon Coalition is a well-organized, financially sound, and steadily growing national coalition of organizations, businesses, and individuals. www.sharetrails.org

The mission of the Colorado Off-Highway Vehicle Coalition (COHVCO) is to represent, educate, assist, and empower OHV recreationists via the protection and promotion of off-highway motorized recreation throughout Colorado. COHVCO is an environmental organization that advocates and promotes the responsible use and conservation of our public lands and natural resources to preserve their aesthetic and recreational qualities for future generations. www.cohvco.org facebook.com/COHVCO

Our mission is to reinforce and highlight responsible off-highway vehicle (OHV) use, and to modify and mitigate irresponsible use in an effort to minimize resource damage on public lands. Our goal is to create a statewide culture of responsible OHV use which will continue beyond the life of the project, effectively creating a stewardship ethic among all Colorado OHV recreationists. www.staythetrail.org

Tread Lightly Inc. is a national non-profit organization with a mission to proactively protect recreation access and opportunities in the outdoors through education and stewardship initiatives. Not only is Tread Lightly Inc. the nation's signature ethics message for outdoor enthusiasts that use motorized and mechanized vehicles, but also Tread Lightly Inc. offers unique training and restoration programs strategically designed to instill an ethic of responsibility in a wide variety of outdoor enthusiasts and the industries that serve them. The organization's goal is to balance the needs of people who enjoy outdoor recreation with society's need to maintain a healthy environment, and we are leading the way to help remedy current recreation issues. Tread Lightly Inc. is funded by donations from individual members, corporations, dealerships, clubs, retailers, and other organizations interested in spreading the message of responsible and ethical use of the outdoors. www.treadlightly.org
