Christmas Hobos hit up the snow on Chinaman

February 4, 2017

The Hobos of Patrol 1 got an early start to the day with breakfast at the always delicious Cutthroat Cafe in Bailey, Colorado. From there the caravan drove down Hwy 285 and spent the day on Chinaman! The snow kept the trail interesting, but in all didn't keep anyone with it on the trail that day. Following the eventful run, the group held their patrol meeting and ate a delicious potluck dinner, hosted by Hobos Bryan and Holly. Who could have expected February would give us such great weather for a fun day of jeeping/

Patrol 4 takes on Illinois Gulch, February 4, 2017

Patrol 4 is having a wilderness first aid training class,, if you are interested we have spots open.....Wilderness First Aid is now available for sign up. The best time to get this training is now before you need it.

DESCRIPTION

Required deposit of \$25.00 reserves your spot and is non-refundable.

Total class cost is \$100.00 with balance due at the door. Cash/Check/Credit card.

Adult/Child/Infant CPR-AED certification will be offered at the end of class for an additional \$25.00.

Wilderness first aid is needed for activities in remote areas such as hiking, climbing, camping, sailing, hunting, birding or snowmobiling. Anyone living, working, traveling, or just enjoying the wilderness should be prepared to manage medical emergencies. A definition of “wilderness” is a location that is one or more hours away from definitive medical care. Included would be remote communities, developing countries and urban areas after a disaster. Also included would be remote areas where outdoor occupations are conducted (farming, mining, commercial fishing, forestry and some construction sites).

Wilderness first aid is the immediate care given to an injured or suddenly ill person. It does not take the place of definitive medical care. It consists only of giving assistance until a more advanced level of medical care is obtained or until the chance for recovery without medical care is apparent.

Wilderness first aid has a distinct focus because:

- **Injuries and illnesses occur outdoors, often in adverse conditions that affect both victims and rescuers.
- **Definitive medical care may be delayed for hours or days by a difficult location, bad weather, and lack of transportation or communications.
- **Certain injuries and illnesses are more common in remote areas.
- **Medical care beyond urban first aid may be needed.
- **First Aid supplies and equipment are limited.
- **Difficult decisions must be made.

Designed for those who work, travel or play in remote locations, this comprehensive program will teach you what to look for and what to do in the event of an emergency, and direct you to the most appropriate type of care.

At the end of each course students will have to pass a written test and upon successful completion the student will receive a three (3) year certification card. This program meets the American Camp Association (ACA) guidelines.

Safety Training Academy - Wes Ball

This 16 hour class is scheduled for Saturday, Feb 18 800am to 600pm and Sunday, Feb 19, 1200pm to 600pm. Contact Patrol 4 (patrol4@mhjc.org) for more info.

Everyone has been asking for it. After tons of work Stay The Trail has finally finished it! Here is a list of the Full-Size Trails in Colorado that require a Colorado OHV Permit.

http://www.staythetrail.org/content.aspx?page_id=22&club_id=266593&module_id=247561

Remember all of the money from these permits goes to the Colorado OHV Grant Fund to maintain our trails, build new trails, and to educate the users. Over 4 million dollars in Colorado OHV Grants will be given out in 2017 and almost 50 million in Colorado OHV Grants have been given out since the program was started in 1991!!!

Meet our Patrols!

Patrol 00 - The Misfits

Patrol Leader - Joe Buschard patrol00@mhjc.org

We are "family" and enjoy wheeling together. Trail difficulty doesn't matter to us as long as we are out having fun. We are young to older, beginner to experienced and drive moderate to heavily modified Jeeps. To wheel with us you must bring an open sense of humor and a lunch.

Patrol 1 - Hobojeeprs

Patrol Leader - Robert Stubbs patrol1@mhjc.org

The spirit of a "Hobo" and the fun of Jeeping are the ideals of our name. As Hobos ride the rails, we instead drive the trails in that same traveling spirit. We like to run from the scenic Jeeping routes to the rugged adventure trips. The Hobos of Patrol 1 have mainly modified Jeeps, as lifts and lockers are recommended for most trips. The Hobos also enjoy all the MHJC has to offer, hold our Annual Hobo Run, and "Tread Lightly". We get together every month at various members houses around Denver.

Patrol 2 - Rat Patrol

Patrol Leader - Roy Grimm patrol2@mhjc.org

Our patrol is dedicated to having a blast doing the Jeep thing. We welcome all those that come along on our trail rides. We like to do all types of trails, from very difficult to moderate. We hold monthly patrol meetings on the 2nd Sunday of each month at patrol members' homes to plan next month's trail rides. We do, at a minimum, one trail a month. We make it a point that every vehicle that goes out, comes back. Our patrol is not just limited to Jeeps, if it's ready, let's GO.

Patrol 3 - Rock Jox

Patrol Leader - Chad Wilson patrol3@mhjc.org

Rock Jocks is Patrol 3 of the Mile High Jeep Club (MHJC). The Patrol is a fun loving adventurous group that enjoys easy to hard core trails. Members have to have a minimum of 33" tires, and lockers or limited slip. Expect to have fun, no bull, no politics. We enjoy the trails, help keep them open, and teach others how to do the same.

Patrol 4 - Lost Patrol

Patrol Leader - Jay Teague patrol4@mhjc.org

Our focus is to support the members of Patrol 4 to get out and enjoy the "JeepLife" safely. We run trails all year rating from 1 to 8, have Patrol meetings, support off-road agencies, All-4-Fun and Christmas Caravan up to having overnight camping excursions. A key commitment to our Patrol members is no one gets left behind! We have members of all ages who live all over the Denver Metro area; families welcome. Patrol and vehicle requirements are minimal and dictated by trail ratings.

Patrol 5 - The Low Rangers

Patrol Leader - Cory Moul patrol5@mhjc.org

Members include singles, couples, and families. We live west of Denver and in the foothills. We are active in All-4-Fun and support all MHJC functions. We enjoy camping and moderate to serious Jeeping. Trips include some day trips, weekends, and week-long excursions. Our vehicles are equipped to handle most any kind of Jeeping.

Patrol 6 - F Troop

Patrol Leader - Mark Woodworth patrol6@mhjc.org

We are a rather busy patrol, with events often every other week summer & winter. Snow busting & opening trail in the spring are a passion! YOU are invited to come along, but please visit our website to see what to expect. We go prepared, far beyond the Boy Scout level. We understand we can require medical attention far from aid, that things break, that we get "temporarily slowed" but we never go without the necessary tools, food, water, parts and medical equipment as well as communication gear, to assure our safety and comfort and expect you to do the same.

Patrol 7 - Rainbow Chasers

Patrol Leader - Jerry Cronk patrol7@mhjc.org

We continually participate in and actively support the leadership of MHJC and the annual All-4-Fun. We are a fun group of couples who enjoy each other and a variety of social activities, 4-wheeling, and camping. Vehicles vary in make, model, and year, as do our members! Meetings are held the 2nd Wednesday of each month at different members' homes. Guests are always welcome at our meetings and outings.

Patrol 8 - Rock Pirates

Patrol Leader - Bill Adams patrol8@mhjc.org

Founded in 1999, our patrol enjoys all 4x4s, short and long wheelbase. We welcome families and singles who are ready to help us achieve our simple goals: have fun, attend our functions and those planned by other patrols and clubs, and work hard to see that our sport of 4-wheeling, and the land we enjoy, is available for generations to come.

Patrol 9 - Trail Dawgs

Patrol Leader - Dianna Anderson patrol9@mhjc.org

We are or have been members of the US Uniformed Services and First Responder organizations. We drive lightly to heavily modified vehicles and enjoy easy to difficult runs. Most runs are day trips on the weekends with kids and dogs. We enjoy night runs, weekend trips, and camping. Safety is primary in everything we do. We practice courtesy toward other trail users, and we guide and assist each other so no one is left behind. We participate in trail maintenance, reforestation, and the Four Wheel Emergency Assistance Team.

Patrol 10 - High Caliber Jeepers

Patrol Leader - Patty Grosnick patrol10@mhjc.org

We like to do all kinds of trails, mostly moderate to scenic. We have highly modified to near stock rigs. We consist of family with kids, couples, and singles. We enjoy weekend and day trips and all club-related activities. We are BIG supporters of All-4-Fun. We are very informal and friendly - meet as often as possible - no pressure to participate - with no limit to patrol members.

In 1956, Mile-Hi Jeep Club was formed and grew to where it is today. Currently, the club has over 400 vehicle members that make up the 21 Patrols that are within MHJC. Each Patrol has its own personality and members are encouraged to join the Patrol that best suits them.

Patrol 11 - Cliffhangers

Patrol Leader - Todd Frick patrol11@mhjc.org

Our patrol is active in the pursuit of adventurous 4-wheeling fun. Our members live all over the Metro area and are of all ages. We participate in All-4 Fun and other MHJC activities. We meet for our patrol meetings, when needed, on the 2nd Sunday of each month and like to have a trip at least once a month. We enjoy moderate to sometimes serious 4-wheeling. We are firm believers in "Stay The Trail" and we practice safe and responsible 4-wheeling. We are accepting new members.

Patrol 12 - Fugowies

Patrol Leader - Dave Dickason patrol12@mhjc.org

Patrol 12 is dedicated to enjoying the scenic beauty of Colorado from its backroads. We have younger and older members with vehicles from moderate to major modifications. We run 25 trips each year including two trips to Moab and All-4-Fun. Most trips are moderate in difficulty and located in the front range of Colorado. A few are more challenging. In order to maintain a closely knit membership we have participation requirements and we limit ourselves to 15 active members at any one time. Visitors and new members are welcome to come along with us on our adventures.

Patrol 13 - Trail Runners

Patrol Leader - John Davenport patrol13@mhjc.org

We always welcome new members and visitors. We meet the second Saturday of every month, alternating at members' homes. We enjoy light Jeeping, support all Mile-Hi Jeep Club activities, have social activities, and actively help each other. Our members are mainly couples with grown children. Come visit with us any time.

Patrol 14 - Alpine 14ers

Patrol Leader - Bill David patrol14@mhjc.org

We are a large, active patrol that has members of all ages and vehicle ability. We enjoy a variety of moderate degrees, and run both local trails and overnight trips. Our priorities are 4-wheeling, trail maintenance, and helping each other.

Patrol 15 - High Altitude 4-Wheelers

Patrol Leader - Jeff Fish patrol15@mhjc.org

Patrol 15 members range from Lifetime Members to Associate Members, to first timers. Our wheeling experience ranges from moderate to experienced with the majority of rigs set up moderate to extreme. Members are spread out across Colorado with our 'adopted Coloradoans' that live out of state. We enjoy trails that range from scenic/ historic to challenging/ extreme. We welcome singles, families and old farts of all kinds, as long as you have a good sense of humor and like to have a good time.

Patrol 16 - Sasquatch Jeepers

Patrol Leader - Lana Hofman patrol16@mhjc.org

Established in 2014 Sasquatch Jeepers is comprised of various aged people who drive various makes and models of vehicles which have moderate to extreme modifications. We are environmentally friendly and safety minded at all times. We try to run at least 2 trails each month (moderate to difficult). Membership into this patrol requires at least 35" tires and rear and front recovery points.

Patrol 17 - The Colorado Pack

Patrol Leader - Aaron Brown patrol17@mhjc.org

Patrol 17 was formed in 2015, seeking to bring families, couples and singles who enjoy all aspects of the outdoors together. We live all over the metro area and Front Range and rotate between members homes each month to plan future events. We are environmentally friendly and safety minded at all times. We try to hold at least one event each month (scenic to difficult). We are active in various MHJC events and inter-patrol activities. There is a limit of 20 vehicles to the Patrol. All types of vehicles are allowed in our patrol but we do have entry and participation requirements.

Patrol 18 - The Outcast

Patrol Leader - Mike Paris patrol18@mhjc.org

The purpose of this Patrol is to organize members of the Mile-Hi Jeep Club of Colorado (MHJC) and their families into a cohesive, friendly, and supportive group of off-road enthusiasts to enjoy the benefits of our sport, support the MHJC, perform trail maintenance projects, and advocate for land use issues. Members of this Patrol will enjoy the camaraderie of wheeling with other four wheel drive vehicles.

Patrol 20 - Maze Runners
